

Visual Impressions Sustainability Mission Statement

At Visual Impressions, we pledge to be compliant with all applicable environmental, health and safety and labor regulations. We will strive to protect human health, natural resources and the global environment. We will document our efforts and are committed to continuously improve our programs and procedures which will envelop integration of responsible environmental, safety and personal decisions into our business practices. We will actively promote aspects of reducing and reusing materials during our production process, and also incorporate a recycling program to minimize our impact on the environment. Visual Impressions will help achieve our goals by consistently communicating our position towards sustainability and our performance with our employees, vendors, customers and business community.
